

Shine Like the Sun

Words & Music
By James Madsen

Verse 1 Brightly

You can shine like the sun, bring-ing warmth and hap-pi- ness.
Shine like the sun, bring-ing smiles to ev - 'ry- one. Let the
wind blow a-way those clouds, and keep the sky so blue. The
sun will shine so bright. Shine, shine, shine just for you.

Verse 2 Gently

You can shine like the moon, soft-ly glow-ing hap-pi- ness.
Shine like the moon, it must be bed - time soon.
Time to close your eyes, and sleep the whole night through. The
moon will shine so bright. Shine, shine, shine just for you.
